

jelly TOTS

is the name of our group for mums, dads, carers or grandparents with children of up to 4 years of age. The group provides a relaxed atmosphere in which the children can play safely and the carers can relax together and chat over tea or coffee.

We have available...

a wide range of toys and changing facilities for babies. Drinks and biscuits are provided part way through the morning.

Jelly Tots is open...

on Friday mornings during school terms, from 9.30am till 11.30am. The Church and its facilities are suitable for wheelchair access.

The group is run by...

a small team of volunteers. All of the facilities are provided free of charge and are funded by Harefield. Pop along and make new friends.
